Join us for our Easter series!

Easter is the celebration of an event, and not just any event in Christianity. The resurrection is the epicenter of what Christianity is all about. If Jesus didn't rise from the dead, then he was just another teacher who had a lot of mystical claims and good things to say, he came and went in ancient times, and we can choose whatever he said and quote it and just move on. But if he actually rose from the dead, you have to take him seriously. Because that means the tomb is EMPTY.
