NEXT WEEK

In spite of the global pandemic, God is moving in the country of India. One of the organizations making an impact is FAAM — the For All Mankind Movement. Since 2009, they have baptized over 65,000 believers and planted over 4000 churches. Creek’s End is honored to partner with them through giving as well as short term mission trips. Kevin Philips, the founder of FAAM, will be our guest speaker and share what God is doing now in India and in the region where we give our resources — the state of Rajasthan.
