"Not The Time To Pray"

OWN IT

"Let me pray about it" has somehow become our "get out of responsibility free" card. When faced with difficult, on-your-feet situations, we make excuses that sound prayerful and honest. But what if the time for prayer passes and you're still not moving? What if action is what's needed and you're still waiting? What if someone told you, "Don't just kneel there, do something!?" It's time for some action. This is not the time to pray.
