

IT'S PRACTICE TIME

THANK YOU!

LIFEQuest partners would like to thank Mrs. Hottman, principal of Crippen Elementary School, for allowing us to meet in the cafeteria for our Worship Gatherings.

We would also like to thank the custodians for assisting us on Sundays by unlocking the facility and helping us with the lights, tables and locking up afterwards.

We also want to express our appreciation for our set up team and our hospitality team for their service in making our Worship Gatherings a success.

UPCOMING WORSHIP GATHERINGS

November 9th 6 p.m.
November 23rd 6 p.m.

Series: **UNSTOPPABLE!**

It is a proven fact that when we practice, we improve, no matter if it is a hobby such as golf or tennis. It might even be a sport like basketball or football. Besides no one likes to look foolish or unprofessional. Even our Lord trained and disciplined men to go out and reach the world with His Gospel and in Luke chapter 10 we see them going out, practicing and reporting back to Jesus. This was all in preparing for the Day of Pentecost.

The same is true with our church plant. We have to spend time looking at the placement of the sound equipment, setting up the stage area and evaluating the format and layout of our over-all Worship event. We have to allow time to train teams of people who are going to work in various areas of ministry. These teams are our hospitality team, welcome team, worship team, children's team, youth team...etc. All our teams are people within our local community who have partnered with us and are going through training and discipling. If you're interested in serving, contact us.

We also need input from outsiders because what we think looks, sounds and appears to be good might not be truly appealing. So we have asked some who are interested in becoming a partner with us to come check us out, and then we encourage them to go to our website and fill out a survey. This has already proven very helpful. We have had three preview, or practice services, we call Worship Gatherings, and each time we have walked away blessed and enlightened on how we can make changes to improve our service.

We invite you to come to one of our practice times and let us know what you think. Our series for the month of November will be "Unstoppable!" We have an unstoppable vision, unstoppable values and unstoppable partners through Christ. We meet at 6 p.m. at the Crippen Elementary school. For more details visit our website at lifequest4u.com.

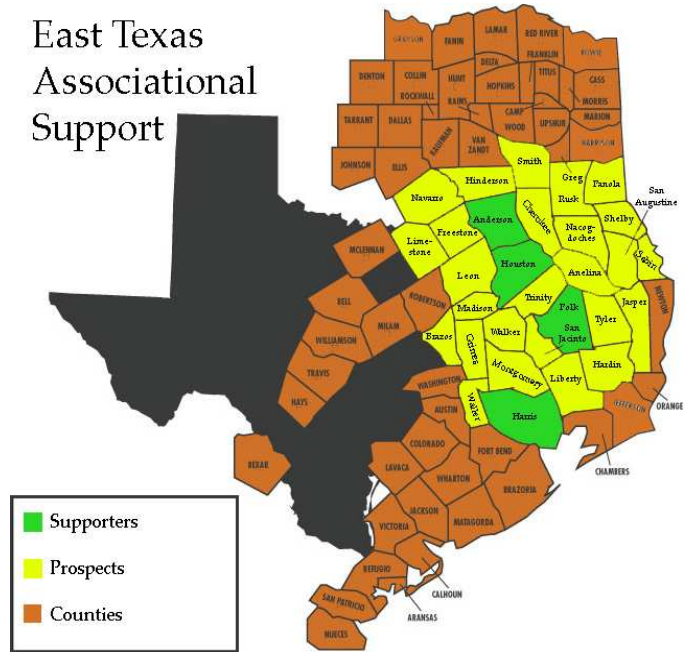

A Note of Thanks! LIFEQuest would like to say thank you to all our supporters. We have enjoyed visiting in your church and your local associational meetings this past month. You have touched my heart in a great way, and I look forward to reporting to you how God is blessing through your prayers and offerings. We deeply appreciate the BMA of Texas State Missions Department. The following is a list of associations, individuals and churches who are supporting us on a monthly basis outside of the BMA of Texas as their own personal local mission project. There are a lot of churches and associations in East Texas that we have not been able to visit as of yet, but we are available and willing to come share LIFEQuest with you—just give me a call at (office) 281-354-5445 or (cell) 832-231-6506. - Gary Southard

IN THE MARKET PLACE

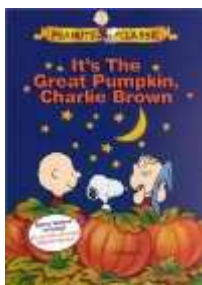

IN THE COUNTY... We took donuts to Montgomery County PCT. 4 to show our appreciation for the hard work those people do for our county. Without these guys, our roads and drainage would not last long. They all worked very hard after hurricane Ike cleaning up our county. Thank you.

NOTHING SAYS IT LIKE

A DONUT DROP!

IN THE STREETS... On Friday, October 31st, LIFEQuest hosted a Movie Night in the Cumberland Subdivision featuring "It's The Great Pumpkin, Charlie Brown." Along with a movie, we handed out lots of candy and popcorn to the trick or treaters.

IN THE LOCAL YMCA... We took donuts to our community YMCA which meets in the Community Development Center. Not only do they have a great bunch of children but a good team of youth directors, too. During the summer we were able to bring the weekly Bible Devotional Study. Thank you, Danielle Bailey, Senior Program Director.
